Dear Frank,

I wanted to take the time to personally thank you. All of your work with The Bank of NY on the Branch Automation Project has been excellent in every aspect of project management. My responsibility at the Bank of NY is Project Coordination for Data Communication in the Branch Network. This includes all aspects of Data Infrastructures. You have shown true professionalism in your management of the Branch Automation Project. In addition Frank, you have also proven to be a valuable asset for your ability to adept to needs of an evolving project, which can change priorities on a daily basis. It has been a pleasure to work with you and I look forward to working on future projects together.

Thank you
