To Whom It May Concern:

It gives me great pleasure to have had EI Associates represent the school district of Hasbrouck Heights in the following projects:

- District Long Range Facilities Plan
- Hitchcock Field Synthetic Turf Installation
- Middle/High School Science Lab Ventilation Improvement
- Lincoln School Ceiling Deterioration Remediation
- Elementary Schools Parapet Restoration
- Elementary Schools Office Relocation Plans
- Consulting Services on Various Projects to Include:
 - Drainage Problems
 - Structural Problems
 - Window Replacements

Every one of our ventures with EI Associates has been first rate in terms of promptness of service, accuracy of expenses, and availability of consultants when problems arose.

On a personal note, I have had the pleasure of being associated with Mr. Joseph Donnelly for over twenty years. Joe is a commensurate professional who takes pride in any task he becomes involved with. He is a man of integrity who will always do the right thing in the evaluation of the project.

I recommend EI Associates and Mr. Donnelly without reservation.

Sincerely,

Joseph C. Luongo
Superintendent of Schools
