Dear Mr. Cipriano:

Please accept this letter as acknowledgement of the Newton Board of Education's deep appreciation for the services provided by EI Associates in our successful referendum. Specific thanks are extended to Michael J. Wozny and Bill Strauss for all of the work, support and assistance they provided in this endeavor.

The passing of this referendum is a major accomplishment for the Newton Public Schools. A 13.9 million dollar project will allow a significant educational impact to our school system that will have a positive impact for years to come. We could not have done this without Michael Wozny. We realize we are in good hands. I am convinced that our project's future success relies on Michael Wozny's continued involvement and professional expertise.

Sincerely,

Robert K. Gratz
