To Whom It May Concern:

It is not possible to give greater testimony to the efficiency, professionalism, competence and excellence of E.I. Associates and Judy and Charles Budoff in the renovation and improvement of our main office and three branches then to simply state that as one project was completed I was anxious to move forward to the next one.

All four offices were redone in a timely fashion, were aesthetically impressive, within budget and without disruption to normal business functions. It is indeed a pleasure to deal with people that know what they are doing and produce results that exceed expectations.

If you wish to have a building or renovation project undertaken, I can comfortably recommend the firm of E.I. Associates and Judi and Charles Budoff to accomplish the job to your great satisfaction.

Very truly yours,
